Subject: Request for Issuance of No Objection Certificate (NOC) for SRIIT to Apply for Deemed University Status under Distinct Category

Dear Sir,

Greetings from SR International Institute of Technology (SRIIT)!

SRIIT, an affiliated institution under JNTU Hyderabad, has consistently aimed to contribute to the nation's academic and socio-economic landscape through its innovative and forward-looking educational practices. We now seek to elevate our status to a Deemed-to-be University under the Distinct Category, with a focus on offering unique disciplines, addressing the strategic needs of the country, preserving Indian cultural heritage, and being dedicated to skill development.

The transformation of SRIIT into a Deemed University will enable us to further expand our academic offerings, establish dedicated research initiatives, and enhance our contribution to the academic and societal needs of the region and the country. This step will also allow us to continue our commitment to excellence in education and research while fulfilling the strategic goals outlined by the National Education Policy (NEP) 2020.

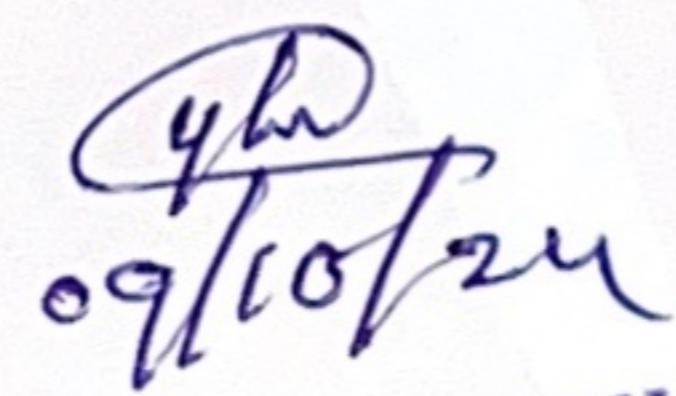

We kindly request your support in issuing the No Objection Certificate (NOC) required for initiating the process of applying for the Deemed University status under the Distinct Category, as defined by the University Grants Commission (UGC) guidelines.

We would be grateful for your positive consideration of this request.

Thank you for your time and support.

Yours sincerely,

A. Madhukar Reddy
Secretary
